INDEX OF AUTHORS INCLUDED IN THE SIXTY-FIRST BIBLIOGRAPHY

The Roman figures followed by (1) or (2) refer to the centurial classification (Part I); thus Amelia, Sister M., XIV (1) means that a paper by Amelia is listed under fourteenth century, 1st half.

The Arabic figures refer to the historical and to the systematic classification (Parts II and III) which are subdivided into sections numbered consecutively from 1 to 60. For instance, Boyden, E. A., 12 indicates that a paper by Boyden is listed in section 12 (Israel); Becker, H., 43 indicates that a paper by Becker is listed in section 43 (Sociology).

The symbols IV(a), IV(b), and IV(c) refer to the new sections on America, Oceania, and Africa at the end of Part II. For instance, Fester, G. A. IV(a) indicates that a paper by Fester is listed in section IV(a) (America).
